

GAW Board Minutes August 2013

Minutes were approved.

Treasurers Report was approved.

Lathe Safety Shields for the Symposium. Wes Jones came up with a very professional design for shields constructed using the 80 - 20 Aluminum Channel Systems and Lexan or Polycarbonate clear inserts. A Motion to expend necessary funds was made by Marty Wildes, seconded by Bob Lough and approved by the Board to produce the shields. Our club had received \$100.00 from the Mid South Woodturners in Memphis, TN in a Joan Kelly Grant to help produce the safety shields.

The Board approved the granting of 3 scholarships for wounded warriors and their wives to attend our symposium and banquet. Quality Inn in Dalton donated the motel rooms and the Northwest Georgia Trade and Convention Center donated daytime meals.

The \$500.00 woodturning scholarship to be awarded to a Georgia Tech student was requested by Tripp Edwards to be delayed until after the new school year started in September.

Meeting was adjourned.

Minutes by Mark Sillay Substituting for Turk Alliston.
