Secretary's Report

Steven Mellott noted a correction to the minutes of the May 27 meeting. Charlie Levan moved to approve the Minutes as amended Steven Mellott seconded the motion. The Minutes as amended were approved unanimously.

Treasurer's Report

The current Treasurer's report was not considered at this meeting.

Business:

Kim Muthersbough indicated that he wanted to discuss and analyze the Club's financial budgeting in the coming weeks. There was a discussion of the amount of dues paid by the membership to this club versus the dues for other local area woodturning clubs. No conclusion about these matters was reached.

Programs:

It appears that this Club and other similarly situated clubs will be conducting any meetings remotely for at least the next several months. Kim Muthersbough encouraged board members to work on activities/methods to keep our membership engaged. Some ideas put forth included shop tips. Hands on workshops and production projects. All of these would have to be conducted remotely under the present circumstances

A motion to adjourn was made by Ed Perkerson, and seconded.

The Motion carried unanimously.

Respectfully Submitted,

Edgar Perkerson

Secretary
