**Secretary's Report**

Andy Bennett moved to approve the minutes of the April 13, 2021 meeting. Tim Robertson seconded the Motion and it passed unanimously.

**Treasurer's Report**

A motion to accept the Treasurer's Reports for the Month of April was made by Ed Perkerson, and a second was made by Hans Meier. The Motion carried unanimously.

**Programs**

Elisabeth Ross has scheduled Linda Ferber as a demonstrator for the May 20<sup>th</sup> meeting.

**Business:**

Kennesaw State University has sent out an email to faculty and staff stating that fully vaccinated individuals not in close contact with large groups are not required to wear masks this summer. The Georgia Tech website contains similar information.

Kim M has researched “Blue Jeans”, an online meeting program. The IT people at Georgia Tech are more comfortable with Blue Jeans from a security standpoint. This is a potential issue because the program is known to be much more complicated than Zoom.

We need volunteers to help with broadcasting our demonstrators with IRDs for those who don’t want to fight the Atlanta traffic to get to Georgia Tech.

**Programs:**

Elisabeth Ross wasn’t able to attend this meeting; however, Kim feels that she has requests out to potential demonstrators. She is very busy. Frank Bowers agreed to help Elisabeth with scheduling programming.

**Symposium:**

Elisabeth Ross has been in touch with venues for a potential symposium but wasn’t able to report.

**Adjournment:**

A motion to adjourn was made by Ed Perkerson , and seconded by Hans Meier. The Motion carried unanimously.

Respectfully Submitted,

Ed Perkerson  
Secretary

**Addendum:**

Kim Muthersbough has been in contact with the people in charge at the Georgia Tech Materials Lab. It now appears likely that, contrary to our belief at this meeting, we will not be able to continue to meet at Georgia Tech. Frank Bowers has agreed to recontact one of his students who has available warehouse space in Chamblee.
