Secretary's Report

Hans Meier moved to approve the proposed Minutes for August 17, 2021. Kim Muthersbough seconded the motion, and it was approved unanimously.

Treasurer's Report

No current treasurer's report was available.

Programs

We will share a demonstrator with the Barnesville Woodturning Club for September. In October John Lucas from Tennessee will demonstrate from Rob Austin's shop in Lawrenceville. Kim Muthersbough is

working on scheduling demonstrators for the months of November, December and January. There was some discussion about future demonstrators that the Board members would like to see.

Business:

We retrieved most of the Club's assets from Georgia Tech on September 2. We were unable to find the speakers and a behind the head microphone and a video camera. The prior lab manager emailed that the speakers should be in a cabinet under the router table, and Kim is following up with the current lab manager to retrieve them. It is hoped that the camera and microphone are in the boxes of symposium support items (in storage), but it is feared that they are lost.

The assets retrieved are now stored in a storage closet in Alpharetta along with the items that were used for the Turning Southern Style symposium. The closet (it really is a closet) is very full. Kim Muthersbough fabricated a two level insert for the closet which allowed completely filling the closet.

Adjournment:

A motion to adjourn was made by Ed Perkerson , and seconded by Frank Bowers. The motion carried unanimously.

Respectfully Submitted,

Ed Perkerson
Secretary
